

Reports on Previous Events

April Floop Clean-up - Chris Parkinson did a great job and with support from a small band of volunteers managed to remove about 20 bags of litter from between Longford Rd bridge and the bridge at Ryderbrow. Also some discarded carpet. Success - a few weeks on and it still looks good!

April Yellow Brick Road (Old Stockport Canal) Clean-up - half a dozen people showed up at Debdale Water Park car park and we progressed slowly northwards ending near the first set of flats (Hollybush St). Meanwhile, David Beetham went off to litter pick the orchard at Gorton Allotments (Alston Rd) which was badly in need of clearing. Our haul all together was a laudable 30 bags and much fun was had by one and all.
