

Fallowfield Loop / Stockport Branch Canal (Yellow Brick Road) Development

The proposed development of the existing cycleway along the canal line is currently under discussion by Manchester Council.

An acceleration of this work has come about because of the sudden interest and influx of Government money for walking and cycling brought about in the wake of the pandemic.

We need to respond rapidly to these events to avoid being overlooked, otherwise we may find ourselves unable to restore the Stockport Branch Canal ever again!

Using the links below, please comment in support of the canal being part of an integrated greenway for everyone.

Please ensure that your comments have been submitted before the closing date of 21st August 2020!

This is a link to the MCC website where you can provide feedback:-

<https://fallowfieldloopmap.commonplace.is/> - Please comment and / or add your agree ticks to the other comments supporting the restoration of the canal.

This and other consultations can be found on this website -
