All are welcome.

The Wooden Canal Boat Society by Chris Leah

Chris will talk about the history of the society and its work including the boats it cares for, the uses to which they are put and future plans.

Our Speaker:

Chris is one of the founders of the WCBS and came to us in May 2015 to tell us about the restoration of Hazel. Hazel is now used as a "Well being" boat, helping people suffering from poor mental health and any other local need.
