

Dear Volunteer,

Below are the details of the up-coming events for June 2019.

I am pleased to say that coming into the busier time for the Floop and Yellow Brick Road, things are looking pretty good in terms of littering. You will know from your own efforts that this is not a natural state of affairs - it has only been achieved by effort from Monthly volunteering and a band of largely anonymous folk who work alone to keep parts of the path clean. So, come and join in on the effort if you can, you will make a difference and hopefully have a fun time into the bargain.

Floop clean-up

When : **Thursday 13th June** at 10.00 am for registering/briefing

Where : Start on the Floop at the Rydebrow Road bridge. This is between Shillingford Road and the the Hyde Road (A57) - there is car parking nearby on Rydebrow Rd but if you are coming by car, do check the directions beforehand as in my experience it is very tricky to locate by road.

Objective : There is moderate littering in both directions so we shall try and cover it all depending on turn out. The intention is to provide freshly brewed tea and coffee at 'half time' !

Equipment will be provided as required but suitable clothing and boots should be worn. Since efficient litter picking often involves working in small groups, we may have a social get-together at the end of the session if there is a demand.

If the weather forecast is particularly bad (e.g. if it looks like continuous heavy rain) then the event may be cancelled at the last minute but this will only be done in exceptional circumstances.
