

Dear Volunteer,

Below are details of the March 2019 Fallowfield Loop Clean-up event:

Floop clean-up

When : **Thursday 14th March** at 10.00 am for registering/briefing

Where : Start at Princess Rd bridge which is half-way between Sainsbury's and St Werburgh's
Car parking is available on Mauldeth Rd adjacent to the corner of Hough End Playing Fields -
access path to Floop immediately opposite.

Objective : Clear old littering on the embankments of Princess Rd bridge (probably the worst spot
for littering on the entire Floop?). We will segregate the
litter into recyclables/non-recyclables and take the recyclables to the dump. If effort is available,
we will also litter pick the Floop heading towards Sainsbury's.

Venue for a drink/lunch afterwards : To be decided on the day.

Equipment will be provided as required but suitable clothing and boots should be worn.
Since efficient litter picking often involves working in small groups, we will have a social
get-together at the end of the session if there is a demand.

If the weather forecast is particularly bad (e.g. if it looks like continuous heavy rain) then the
event may be cancelled at the last minute but this will only be done in exceptional circumstances.
