

*November Yellow Brick Road (Old Stockport Canal) Clean-up* - we started at the Western St entrance as planned but because the littering was so bad on the short access path there, we did not leave the area for the whole session! Two and a half hours and 35 segregated bags later, the area was cleaner than it has been in years, making a more positive statement to all users of the path and to local residents. Manchester Council (Biffa) removed the bags shortly afterwards.
