

As mentioned previously The Keep Britain Tidy Spring 2019 Campaign starts on Friday 22 March and continues for 1 month.

Manchester City Council Neighbourhoods Teams are marking the start of this campaign with a big clean-up of the 'railway path' which crosses the Yellow Brick Road at the Aqueduct/Gorton Station (goes from Lees St to Cornwall St). This path has been neglected for a while and in places is impassable due to overgrown brambles and is heavily littered. The clean-up will take place on Friday 22nd March and you are warmly welcomed to join in this mammoth challenge. It should be a good day.

Our event for the Keep Britain Tidy campaign will be on **Saturday 13th April** when we will be starting from the car park in Debdale Water Park at 10am and heading north up the Yellow Brick Road to the aqueduct next to Gorton Station. This area is once again quite littered but with your help we can get it completely clean ready for the Summer. More details will be forthcoming next month but if you plan to get out once in the year, then this is your best chance to join in a large scale organised event on the YBR. Put it in your diary now ?!

Thanks for your support and hope to see you some time.
